Speaker: Darren Ji

The J.P. Morgan Annual Healthcare Conference is the largest healthcare investment symposium in the industry and will take place virtually from January 10 to 13, 2022.

### **About Elpiscience:**

Elpiscience is a clinical stage biopharmaceutical company focused on innovating and developing next-generation immunotherapy. The company has a robust pipeline of globally innovative molecules, covering wide range of targets in immuno-oncology. It has four molecules in clinical trials, including ES104, ES101, ES102, and ES002. Founded and managed by a team of biopharma industry leaders and scientists, Elpiscience is backed by renowned investors including, Lilly Asia Ventures, Hillhouse Capital, Hyfinity Investments, Greater Bay Area Homeland Development Fund, CDH, DYEE Capital and Cormorant Asset Management.

Elpiscience endeavors to advance at least one innovative molecule into the clinic each year to benefit cancer patients worldwide.
